TWENDE HOCKEY REPORTS

OPERATIONAL RESULTS

TWENDE Hockey activities

We are on this road together! Together with many enthusiastic people in both Tanzania and Europe. We all are working energetically and unlimited towards our main purpose: hockey for development in Tanzania. As you can see, we are making progress on development on both social and hockey activities. Most of the activities are executed in Tanania with support from energetic and expeirenced European hockey lovers. Help from third parties is essential to meet our goals. The road will be long, sometimes bumpy but most of all it is a fantastic journey.
