TWENDE Hockey activities

In 2015 we started our dream in Tanzania: hockey for development. First activities were focused on building upon a starting fragile hockey climate by introducing field hockey into primary and secondary schools, organizing coaching courses, distributing hockey equipment, organizing a hockey exchange of Dutch youngsters, organizing hockey clinics and starting a hockey environment in the region Dar es Salaam. That was the start of creating 'TWENDE Hockey' foundation. TWENDE Hockey helps young Tanzania hockey players in social and economic development. With this foundation what was once a dream, is becoming a reality.
