KL831	周日	时段 1 不开放		周日 08:00	12:00	周日 08:00	12:00	周日 15:00	周日 20:00	

检测须知

*** 检测项目**

起飞前24小时内“双核酸”检测 (诺华美的起飞前24小时内“双核酸”检测, 是使用不同试剂进行的两次核酸检测, 两次检测同时进行、无须时间间隔。在诺华美做双核酸检测的旅客, 无须再去其他机构做单核酸检测。旅客申请绿码提交检测报告时, 可以只提交诺华美出具的起飞前24小时内“双核酸”检测阴性报告。详见中国驻荷兰大使馆2022年6月30日发布的最新要求)。

*** 检测次序**

请旅客尽量在“前台登记开放时段 1”到检测中心进行登记。登记时工作人员会根据旅客登记的先后顺序发给旅客“登记序号”(贴在护照背面)。采样时段开始前, 旅客须按护照背面的“登记序号”再次排队依次候检。

错过“前台登记开放时段 1”的旅客, 也就是当天上午才到达荷兰机场、并计划当天晚上 (17:00以后) 飞中国的旅客, 可以在“前台登记开放时段 2”进行登记、取号, 并检测。晚上 (17:00以后) 飞中国的旅客, 不能迟于当天上午12:00到达检测中心。

起飞时间在17:00之后的航班, 预约检测的日期必须与航班起飞日期相同, 否则视为无效预约。

起飞时间在17:00之前的航班, 预约检测的日期须是起飞日的前一天。例如: 周五起飞的南航CZ308, 约周四 (双核酸) 检测。

*** 检测秩序**

前台登记时, 请旅客按预约单上的“预约序号”排队。

检测取样时, 请旅客按护照背面的“登记序号”排队。

前台登记和检测取样排队时, 请旅客 1) 排成单列 2) 前后旅客务必保持1.5米以上的间距 (间距越大, 意外感染的风险越小)。

检测采样有严格的时间限定, 因此时间紧、客流集中。检测中心会尽力、尽快完所有旅客的检测。请旅客从容配合, 按现场工作人员的要求有序检测。严重干扰检测秩序者将失去检测资格。

*** 阳性、弱阳或密接旅客**

阳性 (CT < 37)、弱阳 (37 ≤ CT < 40)、密接旅客应尽快返回始发国/地, 也可以前往第三国/地。有些始发国也有入境前须进行核酸检测的要求。如果旅客是为了返回始发国、或前往第三国或前往香港等地区而检测, 请避开上述登记和采样时段, 等全部当日或次日飞中国大陆航班旅客采样结束30分钟后到检测中心检测。

*** 滞留旅客**

滞留旅客, 是指因始发国签证过期等原因而无法返回始发国的阳性、弱阳或密接旅客。

滞留中的旅客规定日期的检测请避开上述登记和采样时段, 等全部当日或次日飞中国大陆航班旅客采样结束10分钟后到检测中心检测。

完成流程的滞留旅客回中国前最后一次检测的时间同上述登记和采样时段。

*** 开放时间**

开放时间会不定期调整, 请关注网站更新; 当日开放时间, 可能会根据实际情况有微调。

Novamedik Schiphol Airport 'inside-the-Netherlands' Test Center

(Location: Arrival Hall 3 of Airport, 50 meters to the right when facing the BURGER KING pick-up counter)

Test notice

* Test items

'2PCRs' within 24 hours before departure time (The 2-PCR tests within 24 hours before departure time provided by Novamedik are conducted with different reagents, and the 2 tests are carried out at the same time without time interval. **Passengers, who take the 2-PCR tests at Novamedik, do not need to take another single PCR test at other institutions, for applying for the QR code with "HDC" mark from the Chinese Embassy in the Netherlands.** For details please refer to the latest requirements issued by the Chinese Embassy in the Netherlands on June 30, 2022).

* Test order

It is advisable for passengers to effect registration during 'Time slot 1'. Passenger after registered will get a 'registration serial number' which is affixed to the back side of the passport. Before the start of the sampling opening hours, passengers shall queue up according to the sequence of 'registration serial number'.

Passengers who missed registration 'Time slot 1', that is, those who arrive at Schiphol airport in the morning and plan to fly to China in the evening (after 17:00) **on the same day**, can register in 'Time slot 2' to pick up the serial number for testing. **Passengers flying to China in evening (after 17:00) should arrive at the testing center no later than 12:00 in the morning.**

For flights with departure time after 17:00, the date of appointment for testing must be the same as the departure date of the flight, otherwise it will be regarded as an invalid appointment.

For flights with departure time before 17:00, the date of appointment for testing must be the day before the departure date. For example, passengers of CZ308 departing on Friday shall book 2-PCR tests on Thursday.

* Discipline

When registering starts, if there is a queue please stand in line according to the sequence of 'booking serial number'.

When sampling starts, if there is a queue please stand in line according to the sequence of 'registration serial number'.

At the waiting area, passengers are required to line up in a single row and keep distance of at least 1.5 meters in between, the bigger the distance, the less risk of accidental infection.

Due to strict time limit for test validity and concentrated passenger flow, Novamedik will do their best to complete testing for all passengers as soon as possible. Passengers are required to cooperate calmly and unhurriedly, and take tests in an orderly manner complying with the instruction of Novamedik on-site staff. Those who seriously interfere with the testing order will be disqualified from testing.

* Positive($CT < 37$), weak positive($37 \leq CT < 40$) and close-contact passengers

Positive, weak positive and close-contact passengers should asap return to the country/region of origin, or may go to a third country/region. Some countries of origin also require PCR test before entry. For testing in order to return to the country/region of origin, or change route to a third country, or a third region such as Hong Kong, please passengers avoid to present during the above registration and sampling time, please come 30 minutes later after the sampling of all passengers departing to China(mainland) on the same day or next day actually finished.

* Stranded passengers

Stranded passengers refer to positive, weak positive and close-contact passengers who cannot return to the countries of origin due to reasons such as expired visa for returning to the country of origin.

Stranded passengers during stranding to test on the scheduled date, please avoid to present in the above registration and sampling time, please come 10 minutes later after the sampling of all passengers departing to China on the same or next day actually finished.

Stranded passengers who have finished the procedure to test before boarding on their flight to China, please present as well in the above registration and sampling time.

* Opening hours

The opening hours will be adjusted from time to time, please pay attention to the update on website; The opening hours of the day may be fine-tuned according to the actual situation.
