

Customized Kite shape Led panel

Unique custom design!

Benefits:

Extreme reliable Osram 2835 Duris White SMD led's
Made by SMT robot FPCB copper strip, dissapating heat better!

3 year warranty

Usefull lifetime > 30.000 hours

Dimmable all options

IP20

White RAL 9016 Aluminium frame

5mm PMMA Milky cover

Multiple power options:

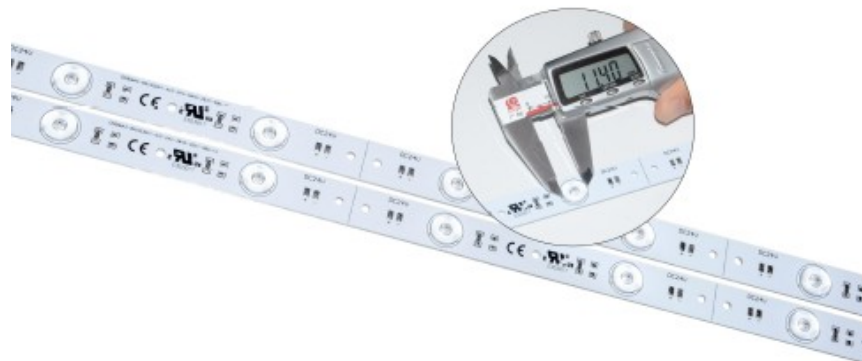

122W

53W

Backlit technology

Specifications:
