

Modular Led Board

Modular design!
300*300mm Led Board

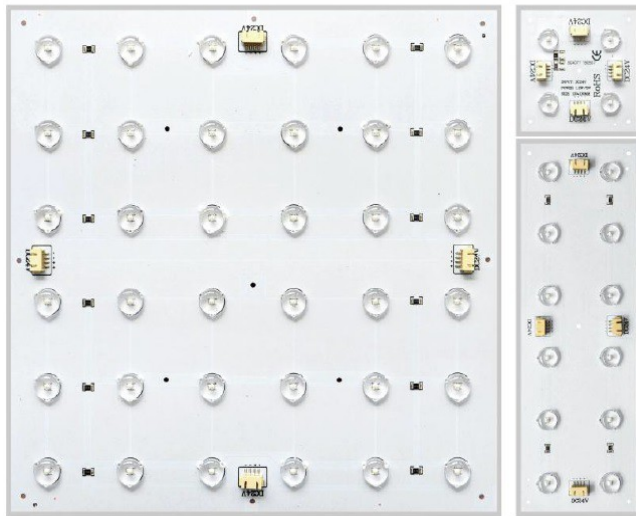

WK LED LFB

Benefits:

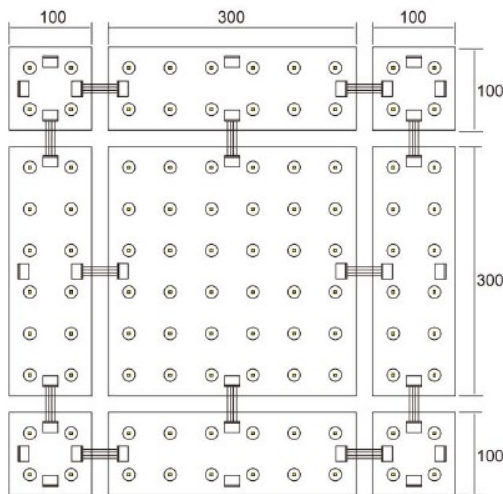

- Extreme reliable Osram 2835 SMD led's
- Wide view angle lenses
- Made by FR4 PCB
- 3 year warranty
- Usefull lifetime > 50.000 hours
- 36led's at 24V
- Dimmable
- IP20
- Tiles can be linked together
- Up to 20 pieces can be linked
- 3 sizes available
- 300*300mm
- 300*100mm
- 100*100mm

Applications:

Many applications for backlighting

WK LED MLB	Description	Accessories
	Led's: Osram SMD 2835 CCT: 4000K Voltage: DC 24V Current: 60mA CRI: >90 Size: 300x300mm Power: 9.5W per tile Viewing angle: 180 degrees IP value: IP20 Housing: FR4 PCB Brightness: 1030 lumen Warranty: 5 years with Osram led	Dali Dim LED driver 0-10V dim interface 1-10V dim interface PWM dim interface P4 link connectors
