

Information for teachers when discussing the application for the arrangement part-time switching classes Enschede with parents.

The conversation with parents:

What does the part-time transition classes package entail when placing your son/daughter in a transition class:

Your son / daughter goes 3 mornings a week to a transition class on location x.

In case the transition class is outside your own school, you will have to bring your son/daughter at 8.30 am and pick it up at 12.00 pm and then take him/her to his/her own school.

What does your son/daughter do in the transition class:

Catching up in the field of:

- Vocabulary
- Create sentences
- Pronouncing sounds in Dutch
- Understanding picture books and being able to answer questions.
- Vocabulary with .b preparatory reading and numeracy skills.
- Applying what you have learned in play

Or

What does the part-time transition class package entail in support of ambulatory co-teaching:

Support for the teacher of your son/daughter (average 1 x p.w.) in giving lessons in the field of:

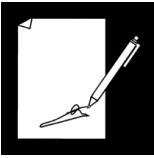

- Vocabulary or
- Create sentences or
- Pronounce sounds in Dutch or
- Understanding picture books and being able to answer questions.

Your son/daughter will practice what you have learned in a small group after class.

In this way, your son/daughter can catch up in his own class.
